The winners of the Previous Orders of Merit from each Tour will hold the top 4 positions in the Federation Ranking List, sorted by their current OWGR. The remainder of the Federation Ranking List will be taken from the Top 10 players from each Tour's Counting Order of Merit. At the start of each Tour's new season the Previous Order of Merit will be its Counting Order of Merit. From a date nominationed by each Tour each season the Current Order of Merit for that Tour will become the Counting Order of Merit for that Tour. As soon as a Tour's season finishes its Final Order of Merit will become known as the Previous Order of Merit. Each player will only appear once on the Federation Ranking list.
